Greek Style Pottery

1. Draw 5-7 thumbnails to decide on a shape (Final piece must be 12” tall).
2. Draw your chosen shape on another sheet of paper and add your design plan. Make notes-- (Will you carve this in, add pieces on, or use something to create a texture?) Consider creating a lid or adding handle(s).
3. Draw your final shape on a piece of cardboard (12” tall). Cut out and use this as a guide as you build your coil pot.
