

Paper Roll Sculpture

Directions

1. 1. Create a modular unit using one or more paper rolls.
2. 2. Begin constructing units... no less than 10 to start with
3. 3. Arrange to create a sculpture.
You can use bobby pins or clothespins to hold pieces together while glue is drying.

Key Vocabulary

Sculpture in the round sculpture that is surrounded on all sides, except the base, by space. Meant to be viewed from any angle

Space the emptiness or area between, around, above, below, or within objects

*The sculptor must consider the positive space as well as the negative space (the area around and within the structure) when planning a sculpture.

Movement principle of art used to create the look and feeling of action and to guide the viewer's eyes throughout the work

Rhythm principle of art that indicates movement by the repetition of elements or objects

Void areas lacking positive substances and consisting of negative space

Tension a sense of gravitational forces that affect the artwork's balance

Paper Roll Sculpture Rubric

	A	B	C	D-F
Unit Structure	Unit structures are uniform. The units are an interesting shape.	Unit structures are mostly uniform. The units are an interesting shape.	Unit structures are somewhat uniform. The units are an interesting shape.	Unit structures are not uniform. The units are not an interesting shape.
Sculpture Design	The sculpture fully utilizes movement, rhythm, voids, and tension	The sculpture mostly utilizes movement, rhythm, voids, and tension	The sculpture somewhat utilizes movement, rhythm, voids, and tension	The sculpture does not utilize movement, rhythm, voids, and tension
Craftsmanship	There is minimal glue showing. Paint covers all surfaces evenly.	There is minimal glue showing. Paint mostly covers all surfaces evenly.	There is some glue showing. Paint somewhat covers all surfaces evenly.	There is too much glue showing. Paint does not cover all surfaces evenly.
